**NOTICE**

Section 1924, Title 28, U.S. Code (effective September 1, 1948) provides:  
 “Verification of bill of costs.”  
 “Before any bill of costs is taxed, the party claiming any item of cost or disbursement shall attach thereto an affidavit, made by himself or by his duly authorized attorney or agent having knowledge of the facts, that such item is correct and has been necessarily incurred in the case and that the services for which fees have been charged were actually and necessarily performed.”

See also Section 1920 of Title 28, which reads in part as follows:  
 “A bill of costs shall be filed in the case and, upon allowance, included in the judgment or decree.”

Counsel are directed to the following provisions of the Rules:

**Rule 6(c)**  
 “Whenever a party has the right or obligation to do some act or take some proceeding within a prescribed or allowed period after the service of a pleading, motion or other paper upon the party, and the service is made by mail, 5 days shall be added to the prescribed or allowed period.”

**Rule 54 (d)**  
 “Except when express provision therefor is made either in a statute of the United States or in these rules, costs, other than attorneys’ fees, shall be allowed as of course to the prevailing party unless the court otherwise directs; but costs against the United States, its officers, and agencies shall be imposed only to the extent permitted by law. Such costs may be taxed by the clerk on one day’s notice. On motion served within 5 days thereafter, the action of the clerk may be reviewed by the court.”

**Rule 58(d) (In Part)**  
 “Entry of judgment may not be delayed, nor the time for appeal extended, in order to tax costs \*\*\*\*”
